III. INSURANCE

Since personal insurance policies do not necessarily cover every risk incurred while skiing, two appropriate insurance products are offered to customers:

1. DAY OR SEASON INSURANCE « SNOW RISK »

Snow Risk Snow Risk, day insurance is taken out nominatively. It is available for duration of 1 day to 15 days maximum. It is generally bought at the time of purchase of the ski lift passes. In this case, the duration of the insurance must be identical to that of the ski lift pass.

In the case that an insurance policy is bought during the period of validity of a ski lift pass, the end of validity of both the lift pass and the insurance must be the same.

Note that the date stated on the ticket receipt refers to the current season and the date when the insurance was purchased.

The proof of purchase does not state the number of days of insurance taken out but refers to the current season and to the date on which the insurance was purchased.

The insurance is determined by the date of purchase of the insurance and by the duration of the insurance, with the exception of insurance bought online with the purchase of lift passes or by order form before the start of the season. For more information go to: <https://www.snowrisk.com/assurance-ski.php> or at the ticket offices.

1. ANNUAL INSURANCE : « ASSURENSPORT »

Snow Risk and Assurensport insurances guarantee the exemption of the application fees of an amount of 50 € invoiced during an intervention of the first aid tracker service.

IV. RIGHT OF WITHDRAWAL

Customers purchasing lift passes valid for 3 or more days have 24 hours in which to check that the tickets issued by the sales assistants are correct.

During this period, they can change their mind about their initial choice of lift passes made when purchasing the tickets. They are permitted either to change the type of lift passes chosen (Châtel Liberté or Portes du Soleil) or to extend the duration of the lift passes.

Once the withdrawal deadline of 24 hours has elapsed, no changes to lift passes are permitted.

V. DUPLICATING SKI PASSES

1. LOST, STOLEN OR DESTROYED TICKETS

Duplicate tickets may be issued only if the operator is able to block the use of the lost, stolen or destroyed ticket. The holder must quote the number of the ticket, indicated on the receipt or on the online confirmation of sale.

Any customer to whom a duplicate lift pass is issued must settle the amount payable for the "hands-free" card on which the lift pass will be programmed. The lost or stolen tickets 'bonus points' are definitively lost.

2. FORGOTTEN TICKETS

Forgotten tickets shall not be replaced. Skiers without a ticket who have left their ticket at their residence must pay the cost of the day of skiing they consume.

1. SKIERS WITH « SNOW RISK » OR « ASSURENSPORT » INSURANCE

This policy is subject to the terms and conditions of insurance that can be viewed and downloaded directly from <https://www.snowrisk.com/assurance-ski.php>.

2. SKIERS WITHOUT « SNOW RISK » OR « ASSURENSPORT » INSURANCE

Only commercial compensation may be possible, subject to assessment of the situation by the general management. - either an immediate extension in duration
- or a credit note, in duration, to be used either before the end of the current season or during the following season
- or deferred reimbursement equal to the difference between the price paid by the user and the number of days used, multiplied by the daily price in force.

The degressive rate (proportionately cheaper price for a longer duration) of lift passes covers its potential non-consumption.

Only Passes having been purchased and paid for directly by the Customer to the Operator can be compensated.

4. CONNECTIONS TO « PORTES DU SOLEIL »

When the connection to the resort of Avoriaz is interrupted for a duration that exceeds 50.00% of the period of validity of the ticket, the proportion of the lift pass price that exceeds the price of a lift pass for the Châtel Liberté ski area for the same duration shall be reimbursed.
