

AUTHENTIQUE VOYAGE

The well-being space dedicated to India

AYURVEDIC CARES

Ayurveda in a word...

Ayurveda is the oldest holistic concept of well-being for 3000 years.

Until now, this therapy is used in many part of Asia, and especially in India.

Authentique Voyage : our concept

Come to Châtel, and enjoy our well-being center dedicated to India. Upon your arrival, travel and discover peace and serenity with our typical Indian Space, mixed with furniture from Rajasthan, fountain from Kerala, incense from the Himalaya, and a range of teas that is available after treatment. A shower area and a changing room can be used for your comfort (bathrobe, towels and disposable under-wears are provided).

The staff

two therapists, well experienced (more than 10 years) having different relaxing technics coming from India

Good to know

One hour before your appointment, you would better not have heavy food. In case of any physical or mental troubles, see your doctor first. Ayurvedic Therapy is used only for wellness, relaxation of mind and body. It can never be a substitute to a medical treatment.
